RESOLUTION

NATIONAL SCIENCE BOARD

RECOMPETITION OF ONGOING FACILITIES

Now, therefore, be it RESOLVED, that the National Science Board has made a statement on the recompetition of major facilities (NSB-2015-45) and:

Affirms its strong support for the principle that the National Science Foundation should perform a rigorous review prior to the expiration of an award for the operation of a major facility to determine whether it is in the best interest of U.S. science and engineering to re compete that award.
